## From the Librarian...

### THE LIBRARY IS STILL IN NEED OF FUNDING!!

We are in need of more funding. Our continued service to the community is in need of a constant source of funding. Without your local community library there would be many needs unfulfilled.

Without your local library—there would be no local story time, no local internet service, no Interlibrary loan, no Access card (where you can go to another library and check books out for free), no bestsellers, no Bangor Daily News on microfilm. Do you really want to see these—and other services—stopped due to lack of funding.

The State still requires the library to raise and spend a minimum of \$5 per capita. Even in these tough economic times we must meet this requirement in order to receive State Aid and all the benefits associated with State Aid. Your support is vital for continued operation. Thank you.
